## REVISION TO NOTICE TO NAVIGATION INTERESTS 07-71

### MAINTENANCE SCHEDULE FOR 2008

#### HUNTINGTON DISTRICT

Notice is given that the 2008 Maintenance Schedule for the Huntington District has been changed to reflect the dates shown below. All interested parties should review the schedule revisions for impact.

It is anticipated that major maintenance and repairs will be performed at the following locations during calendar year 2008. This notice may require periodic revision. It is given so that industrial and recreational waterway users may have a general knowledge of the lock outages and can plan their operations accordingly. Factors which may affect this schedule are the delivery of materials, repairs required but not anticipated, emergency repairs as a result of accidents, and funding.

All interested parties should review the maintenance schedule for impact. Additional notices furnishing specific information and operating requirements for repairs resulting in major delays will be published prior to commencing the work items listed.
